Elliott who accompanied the officials as a representative of the club. An invitation from the Clewiston Lions Club was read in which Pahoekie Lions were asked to be guests at a barbecue at the Clewiston Golf Club on April 29.

## Bouquets Handed Band After Drill

Several verbal bouquets were handed the Pahoekie High School Band and Bandmaster Robert O. Lampi by the judges following the band's performances at the State Music Contest in St. Petersburg last weekend.

In remarking about the drills of the Pahoekie Band Dr. William Revell of the University of Michigan said "Maneuvers very well executed—precise and smart," and impressed by the group's "boogie-woogie" specialty he added, "Special feature very effective."

Paul Yoder of Chicago, famous composer and arranger of band pieces, was one of the judges at the state contest last year and again this year. The Pahoekie Band played two of his compositions, "Southern Cross Overture" and "Gypsy Princess Overture," in the contest. After the band's performance Mr. Yoder told Bandmaster Lampi, "You have improved this band wonderfully since last year—a fine performance and a fine job of conducting—excellent interpretation." Mr. Yoder also added, "Band drills very well."

Local schools were dismissed for the week at 1 p. m. Thursday in order that faculty members would be able to attend the annual meeting of the Florida Educational Association in Miami on Thursday evening and Friday.

Mr. and Mrs. H. M. McIntosh spent the weekend in St. Petersburg visiting their son, Kenneth, cadet at the Florida Military Academy, who was celebrating his birthday anniversary.

## Girl Scouts Receive Four New Members

Four new candidates for membership to the Pahoekie Girl Scout Troop attended the regular troop meeting at the First Methodist Church Tuesday afternoon. They were Annette McIntosh, Kay Friend, Jeannine Mock and Hazel Chaney.

The scouts, under the direction of Mrs. J. T. Boynton, troop captain, spent most of the afternoon rehearsing the playlet and singing the songs which they will present on the program at the May meeting of the Pahoekie Parent-Teacher Association on May 10. Members of Belle Glade Girls Scout Troop 3 were invited to be the guests of the Pahoekie troop at next week's meeting.

## Revival Planned For Canal Point

The Methodist Church of Canal Point will be the scene of a week of Revival services beginning Monday, April 26. The services will be led by the Rev. Edward S. Doherty of Feaster Memorial Church in Miami. Rev. Doherty is well known and loved in the Canal Point and Pahoekie area as the pastor of the Canal Point church in the years 1942-44.

Services will be held each evening, Monday through Friday, April 26-30 at 8:00 o'clock. Sunday Services on May 2 will be at 11:00 and 7:30. Dinner on the ground will follow the Sunday Morning Service with each family bringing its Sunday dinner to be shared by all.

Tuesday has been set aside as Youth Night with a service of special interest to young people.

Three Cottage Prayer Meetings will be held simultaneously on Friday, April 23, at 8:00 p. m. The minister will visit all three meetings, but the active leadership of the meetings will be carried out by laypeople. Homes in which the services will be held are: North, Frank M. Wilson; South, Delmar L. Hooks; Townsite, Earl Wilson.

## Jasper Reed Takes Special Florist Course

Jasper W. Reed, son of Mrs. Donald B. Kepp of Canal Point, is in Chicago taking a special short course for florists at Bright's School of Floral Design. This school, the leading one of its kind, has students from all parts of the United States and several foreign countries.

By taking this schooling the up-to-date florist keeps in touch with all the latest developments in the floral business. He learns the principles of floral art which enable him to make lovelier arrangements for the public.

## SUNDAY SERVICES

The Morning Service of the First Methodist Church will be broadcast over WSWN with the Pastor, Rev. C. T. Howes, using as the sermon subject: "Gather Up the Fragments." The music will be furnished by the Youth Choir under the direction of Mr. R. O. Lampi. The Pastor will use the Evening message at 8:00 p. m. the theme: "We Would See Jesus."

## High Honor Won By Pahoekie Band

The Pahoekie High School Band, pride and joy of the Pahoekie-Canal Point community, won high honors at the State Music Festival and Contest in St. Petersburg last weekend.

Under the baton of Bandmaster Robert O. Lampi the band was awarded first division rating in sight reading and second division rating in concert playing. Led by Drum Major Joan McLarty and Majorettes Joan Tucker, Gwen Gant, Rita Fay Hurt and Rheta Abowd the 52-unit band marched through intricate patterns of drill to win another first division rating. The Pahoekie group was topped in Class C competition only by the 70-piece Lake Wales and the 65-piece Quincy band each of which won first division ratings in all phases of competition.

Local residents who were fortunate enough to hear and see the Pahoekie Band in action at St. Petersburg got a thrill from its smart appearance and expert performance. Among those were Principal and Mrs. D. D. Caudill, Mr. and Mrs. O. D. Carpenter, Mrs. C. A. Major, Mrs. G. Q. Howell, Mrs. C. L. Shirley, Mrs. G. C. McLarty, Mrs. Robert O. Lampi, Miss Priscilla Lampi and W. W. Smith.

Others attending were Mr. and Mrs. H. C. Graham, Mr. and Mrs. A. C. Libhart, Mrs. Jack Phillips, Mrs. Pauline Rice, Geo. B. Ramey and Pete Chiviges.

Buddy Moberg is spending a few days in the Keys with Dr. and Mrs. C. F. Waller and sons, George and Edgerton.

## Fraser Asks For Votes In Comptroller Race

Edwin G. (Ed) Fraser Saturday afternoon asked Glades voters to re-elect him to the office of state comptroller "and restore to the minds and souls of the people of Florida a belief in the democratic principles upon which our government was founded."

"You people of Palm Beach County helped elect me in 1946," the Baker county nursery operator told a downtown audience. "It is not your fault, nor mine, that I am not now serving as your state comptroller in Tallahassee."

Fraser reviewed his nomination by the state democratic executive committee as the successor to the late J. M. Lee, his election in the general election, the governor's refusal of his commission, and the court battle in which he was ruled ineligible.

## Flood Control Is Step Nearer Goal

WASHINGTON—The Bureau of the Budget approved Tuesday a \$208,000,000 State-wide flood control program drafted for Florida by the Army Engineers.

Announcement of the approval came from Senator Holland (D-Fla.), who said he anticipates the program will be submitted immediately to Congress by the Engineers.

The program previously had been cleared by the Department of Interior.

The program must be authorized by Congress and funds appropriated before it can be undertaken. Plans call for construction over several years.

Budget Bureau approval was given in a letter from L. C. Martin, chief of the division of estimates, to Secretary of the Army Kenneth Royall, stating:

"I am authorized of the Budget to advise you there is no objection to the submission of this report to Congress."

Senator Pepper (D-Fla.) and Holland have expressed hope they can get the Senate to write authorization for the State-wide program into a nation-wide, omnibus flood control bill now before the House.

The survey upon which the Engineers made their recommendations was authorized under legislation introduced by Rep. Rogers (D-Fla.).

## 4-H Girls Of Canal Point Hold Meeting

The Canal Point 4-H girls had a meeting on Wednesday, April 21, 1948.

The meeting was called to order by the president, Frances Wilson. We sang "Dreaming," "The Army Air Corps," "Ham and Eggs," and "White Coral Bells." The secretary, Jo Ann Edenhelf, called the roll and read the minutes of the last meeting. The president asked for new and old business. Shirley Ann Ammons and Jo Ann Goodson gave a demonstration on making tomato salad. The meeting was adjourned.

Mr. Morgan's official announcement appeared in this newspaper several days ago. Mr. Boatright has made no official statement to this newspaper as yet. His formal announcement is in this issue.

## Homer Does Some "Back-Seat Sewing!"

Homer Bentley's missus was working on her new sewing machine, when Homer comes in, draws up a chair, and starts talking: "Don't you think you're running too fast?" he says. "Slow down! Watch out! Be careful!"

When the missus finally turns with murder in her eyes, Homer says goodnaturedly: "I thought you might like a little help, dear—like you help me drive the car."

The missus can't help but burst out laughing—and they settle what might have been a quarrel over a

friendly glass of beer. The missus agrees to give up back-seat driving and nagging Homer about ashes on the rug. Homer agrees to quit criticizing Sarah's taste for flowery hats and parsley salad.

From where I sit, the key to getting on together is meeting every issue half way—and overlooking any petty differences in tastes—whether these tastes apply to beer or flowery-looking hats!

## Canal Point Sunday School Contest

In the class contest, the Junior Boys are just a few miles short of Hawaii. The boys, and their teacher, Mary Helen Hooks, have been in the lead from the start. Close behind their class, however, is that of the Junior Girls, led by Connie Pope with A. R. Harrington's Men's Bible Class a close third to date. The boys have traded their sailboat for a stern-wheeler, and most of the other classes should get out of their sailboats next Sunday. The smooth riding Women's Bible Class, taught by Mrs. Mary Pope, after a sensational spurt a week ago, became a little too confident last Sunday, tipping over their sailboat for no gain!

Theme of the Morning Worship Service on Sunday will be the text in John 1:6 "There was a man sent from God, whose name was John." The sermon will be on "A Man Sent from God". In the evening the minister will preach on "An Argument with God."

### MEN'S BIBLE CLASS

A most encouraging increase in attendance was the joy last Sunday of the Pahokee Men's Bible Class. New members continue to be added to the fine enrollment which goal is 200. Many are the favorable expressions concerning the teaching program. Rev. C. A. Moberg's theory of "give them the

Bible," is one of the reasons for the success the class has enjoyed these six years. This Sunday the prophet Zechariah will be discussed. The Class Quartet will sing. A most cordial invitation is extended to all unaffiliated men and visitors to attend. The class voted to finance the church radio program and the Royal Ambassadors chapter of the W. M. U.

## GOAL IS PASSED

The minister can be wrong! In setting the goal of the Canal Point Methodist Sunday School at 125 for an average attendance mark to shoot at in the coming months, Rev. W. T. Blair of the local Methodist Church was taking into consideration the fact that that mark would be exactly double that of

the average attendance just one and one-half years ago. First we set the goals at 100, reached it, then raised the goal to 125. But the 133 present last Sunday indicated that the members of the Sunday School are going far beyond what he hopefully set for the goal. Great things can happen in a praying, working, serving church!

**FLORIDA Needs a Man, as GOVERNOR, with a Record of performance NOT promises!**  
For the Four Critical Years Ahead

What the next four years hold in store for our state, our nation and the world at large, no one knows. But, whatever comes ... Florida must be prepared!

The times call for an experienced man... a man with a successful record of public service... a man who can, and will, chart a sound and constructive course for our state government... a man who is equipped with the ability and with actual experience in state government... a man who won't have to flounder and grope his way around, trying to learn the job of Governor... a man who can take over the job of Chief Executive of our state without any loss of valuable time. Above all... Florida needs a man whose record clearly proves him to be a performer — not a promise!

Colin English is the man Florida needs... for the good and best interests of all Florida.

Remember, Colin English has served for the past eleven years as a member of the Governor's Cabinet... the executive committee... and other important state boards and commissions, during the administrations of three governors.

Remember, in these important times, political promises are no better than the candidate who makes them... no better than the ability and public record of the maker to keep them.

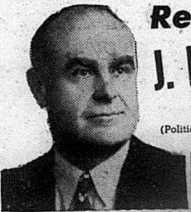

Colin English has done great things for Florida... as Governor, he will do greater things for ALL Florida! You can judge men only by what they have done and accomplished... and, the soundness of their program for the good of all the people. Read the 33-Point program of Colin English for a greater Florida... then, vote for and

## Mrs. Abling Hostess To BPW Club

Mrs. Faye Abling was hostess to members of the Everglades Business and Professional Woman's Club at a club meeting at her home Tuesday night. She was assisted by Mrs. Charlotte Walston, Mrs. Olean Strayhorn and Miss Ruth Dorsey, co-hostesses.

Mrs. Ruth Wedgworth of Belle Glade, one of the outstanding woman executives of the nation, was guest speaker. Introduced by Mrs. Cleo Douthit, chairman of the educational and vocational committee, Mrs. Wedgworth explained the importance of the bond issue for Palm Beach County schools to be voted on by freeholders at a special election on May 18.

It was announced that the Everglades B&PWC will send letters urging each local freeholder to participate in this election. It was pointed out at the meeting that in order for the proposed county-wide school improvement program to be carried through 50 per cent plus one of the freeholders of the county must cast votes and a majority of these votes have to be in favor of the bond issue.

Mrs. Doris Carter, program chairman, introduced Mrs. Abling who gave a talk on Sister Kenny's work in the treatment of polio.

Reports on the B&PWC district meeting in Coral Gables on April 18 were given by Mrs. Tommie Lee DuBoe, Mrs. Sarah Thomas, Mrs. Doris Carter and Miss Lucille Williams who represented the local

club at the meeting.

It was announced that the annual election of officers will take place at a business meeting at the home of Mrs. DuBoe on May 4 and the club's installation banquet will be held at the First Baptist Fellowship Hall on May 25.
